FAIRYTEALE MAD LIB

TITLE: ____________________________________________________________

BY: ____________________________________________________________

Once upon a time, there lived a kind-hearted ________________________________ named ________________________________

__________________________________________________________________________ and a wicked ___________________ named ________________________________

__________________________________________________________________________.

They lived ____________________________________________________________.

__________________________________________________________________________ cast a spell on ________________________________ by ________________________________

__________________________________________________________________________.

The royal ________________________________ broke the spell when ________________________________

__________________________________________________________________________.

And they lived happily ever after!
