KIDS RECIPE: NO BAKE SHEEP GRAHAMS

**Ingredients**
- Graham Cracker squares
- White frosting
- Mini marshmallows
- Black candy melts
- Small candy eyes

**Directions**
- Cut a large handful of mini marshmallows in half using the kitchen scissors and set aside.
- Frost each graham cracker square with white frosting
- Using some kitchen scissors to gently snip the edges of the black candy melts making almost a triangle shape. It doesn’t have to be perfect, but as close as you can.
- Place the triangle on the graham cracker to form the sheep’s head
- Use a toothpick or fork tine to add a small dab of frosting to the back of the sheep’s eyes.
- Place the eyes on the sheep’s head
- Take the halved mini marshmallows and place around the sheep’s head.
